**SCHOLARSHIP WINNER:** TODD PATE, Nominated by Great Falls JSEC

Excerpt from Nomination: “Why was this student chosen to receive the local JSEC Scholarship?”

Todd was chosen to receive the Great Falls JSEC scholarship as he met the primary criteria of the scholarship to pursue post secondary training in Career and Technical Education. He presented his application in an organized and well written format with clear and realistic career goals. Todd’s goals are to attend MSUGF-COT to focus on core classes and transfer to MSU-Northern to focus on specialty classes in the fields of Diesel Mechanic and Welding.

Todd is also very active in a variety of school activities, started and maintained his own lawn care business, and regularly participates in volunteer service in his community.

As stated by one of his references “It is my firm belief that Todd will succeed at whatever goals and career path he truly sets his mind to.”
